- xiv. Function as an effective leader of a health team engaged in health care, research or training.

4. STATEMENT OF THE COMPETENCIES :

Keeping in view the general objectives of postgraduate training, each discipline shall aim at development of specific competencies which shall be defined and spelt out in clear terms. Each department shall produce a statement and bring it to the notice of the trainees in the beginning of the programme so that he or she can direct the efforts towards the attainment of these competencies.

5. COMPONENTS OF THE POSTGRADUATE CURRICULUM :

The major components of the Postgraduate curriculum shall be :

- Theoretical knowledge
- Practical and clinical skills
- Thesis skills.
- Attitudes including communication skills.
- Training in research methodology.

In the above clause the words "Thesis skills" are substituted by the words "Writing Thesis/Research articles" and the words "Training in research methodology" are substituted by the words "Training in Research Methodology, Medical Ethics and Medicolegal aspects" in terms of Notification published on 20.10.2008 in Gazette of India .

6. STARTING OF POSTGRADUATE MEDICAL COURSES AND THEIR RECOGNITION.

(1) An institution intending to start a Postgraduate Medical Education course or to increase the admission capacity shall obtain permission of the Central Government under Section 10A of the Act.

(2) The institution shall apply for recognition of the Postgraduate medical qualification to the Central Government through the affiliating university.

The above Regulation 6 is substituted in terms of Notification published on 21.07.2009.

STARTING OF POST GRADUATE MEDICAL COURSES AND THEIR RECOGNITION.

1. An institution intending to start a Post Graduate medical education course or to increase the annual intake capacity in an already ongoing course shall obtain prior permission of the Central Government as provided under section 10A of the Act.

2. The institution shall apply for recognition of the Post Graduate medical qualification to the Central Government

through the affiliating university, when the first admitted batch shall be due to appear for the examination to be conducted by the affiliating university.

3. Failure to seek timely recognition as required in sub-clause 2 shall invariably result in stoppage of admission to the concerned Post Graduate Course.

4. The recognition so granted to a Post Graduate Course shall be for a maximum period of 5 years, upon which it shall have to be renewed.

5. The procedure for 'Renewal' of recognition shall be same as applicable for the Award of recognition.

6. Failure to seek timely renewal of recognition as required in sub-clause-4 shall invariably result in stoppage of admissions to the concerned Post Graduate course.

7. In a period of 5 years from the date of Letter of Permission the college should have all pre and para clinical Post Graduate Courses.

8. The existing/new medical colleges should mandatorily have the department of Blood Bank with component of blood separation unit and Transfusion Medicine.

The above Regulation Clause 6(1), (2) & (3) are substituted in terms of Notification published on 05.04.2018.

"(1) An institution intending to start a post-graduate medical education course or to increase the annual intake capacity in an already ongoing course shall obtain the prior permission of the Central Government under section 10A of the Act. The prior permission granted by the Central Government for Postgraduate Degree/Postgraduate Diploma courses shall be for four and three academic years respectively

Provided that it shall be incumbent upon Medical Colleges/Medical Institutions to make an application for starting of Post-graduate medical education courses within three years of grant of recognition, i.e., three years from the date of inclusion of the MBBS qualification awarded by the Medical College in the First Schedule of the Indian Medical Council Act, 1956. Failure to make an application for starting of Postgraduate courses within the stipulated time shall entail the withdrawal of recognition of MBBS qualification.

Provided further that a Medical College/Medical Institution that makes an application for starting of a Postgraduate course in the eventuality of disapproval shall be granted two more

opportunities for the succeeding years to make an application. Failure to obtain permission of the Central Government thereafter shall entail the withdrawal of Recognition of MBBS qualification." Provided further that above shall be applicable to the scheme submitted from the academic year 2020-21 onwards, in order to provide time to the existing colleges to apply.

- (2) The Institution shall apply for recognition of the Post Graduate Medical qualification to the Central Government through the affiliating University, when the first admitted batch shall be due to appear for the examination to be conducted by the affiliating University.

In the event of deficiencies being found in the assessment, the Institution shall be granted an opportunity to submit compliance within 30 days from the date of communication of deficiencies by the Council. Such an opportunity to comply with the deficiencies shall be availed by the Institute only twice. The Postgraduate Medical Education Committee on finding the compliance satisfactory shall convey the recommendation to recognize the course. In all other cases, the prior permission of the Central Government granted under sub-clause (1) shall be deemed to have lapsed after four and three years for Postgraduate Degree/Postgraduate Diploma courses respectively. Further, in such cases; recommendation shall be made to the Central Government to include the qualifications in the First Schedule of the Indian Medical Council Act, 1956 only in respect of first four batches of Postgraduate Degree Courses and three batches of Postgraduate Diploma courses.

- (3) Failure to seek timely recognition as required in sub-clause 2 shall invariably result in stoppage of admission to the concerned Post Graduate course.

In the event of failure of the institute to seek recognition for existing Post Graduate courses, the Council may recommend to the Central Government for imposition of exemplary penalty which may extend to Rupees ten lakhs per seat of the postgraduate course; and/or stoppage of other postgraduate Medical courses of the Institution; and/or debar the Institution from making any application for starting or increase of seats in postgraduate courses for a specified period; and/or reducing the intake capacity in MBBS."

7. **NOMENCLATURE OF POSTGRADUATE COURSES.**

The nomenclature of postgraduate medical courses shall be as provided in the Schedule annexed to these Regulation :

Provided that in the case of postgraduate medical degree and diploma courses instituted prior to the commencement of these Regulations with the approval of the Medical Council of India and which have not been included in these regulations, the institutions concerned shall continue such course till the students admitted complete the said courses.

8. GENERAL

(1) The institutions recognised by the Medical Council of India for running Postgraduate courses prior to the commencement of the Indian Medical Council (Amendment) Act, 1993 and those medical colleges recognised for running Bachelor of Medicine and Bachelor of Surgery (MBBS) course or institutions established by the Central Government for the purpose of imparting postgraduate medical education shall be eligible for starting any postgraduate degree or diploma and higher specialty course.

(The above notification was quashed by the Honble Supreme Court on 18.07.2013 and has been revived on 11.04.2016 by the Hon’ble Supreme Court.)

The above Regulation Clause 9(1 to 11) is substituted in terms of Notification published on 05.04.2018.

Preamble

1. The Parliament of India has amended the Indian Medical Council Act, 1956 by the Indian Medical Council (Amendment) Act 2016. This Amendment Act after receiving the assent to the President has been notified in the Gazette of India on 5th August 2016. The Indian Medical Council (Amendment) Act 2016 has inserted section 10 D and section 33 (mb) to the Indian Medical Council Act, 1956. The said provision provides for a uniform entrance examination to all medical educational institutions at the under graduate level and post graduate level by the “designated authority”. By virtue of this Amendment the Parliament has provided legislative sanctity to the National Eligibility-Cum-Entrance Test [hereinafter “NEET”] included in the Post-Graduate Medical Education Regulations, 1997 by Amendments notified in the Official Gazette on 27th December 2010, 27th February 2012 and 23rd October 2012.
2. Earlier the provisions relating to NEET were quashed by the Hon`ble Supreme Court vide its judgment dated 18th July 2013 in Christian Medical College Vellore &Ors. (TC (C) No.98 of 2012 and other 114 connected petitions). However, on a Review Petition preferred by the Medical Council of India and the Union of India, the Hon`ble Supreme Court vide its order dated 11th April 2016 in Review Petition (c) Nos. 2059-2268 of 2013 captioned as Medical Council of India vs. Christian Medical College Vellore &Ors. has revived NEET Regulations. The admission to postgraduate courses for the academic year 2017-18 were conducted on the basis of provisions of the Indian Medical Council (Amendment) Act, 2016 and the NEET Regulations revived by the Hon`ble Supreme Court and in the Terms of the terms of the Indian Medical Council (Amendment) Act, 2016 the National Eligibility-cum-Entrance Test is the uniform entrance examination to all medical educational institutions at the post graduate level and shall continue to be the uniform entrance examination to all medical educational institutions at the post graduate level.

9. Procedure for selection of candidate for Postgraduate courses shall be as follows:-

- (1) There shall be a uniform entrance examination to all medical educational institutions at the Postgraduate level namely ‘National Eligibility-cum-Entrance Test’ for admission to postgraduate courses in each academic year and shall be conducted under the overall supervision of the Ministry of Health & Family Welfare, Government of India.
- (2) The “designated authority” to conduct the ‘National Eligibility-cum-Entrance Test’ shall be the National Board of Examination or any

other body/organization so designated by the Ministry of Health and Family Welfare, Government of India.

- (3) In order to be eligible for admission to Postgraduate Course for an academic year, it shall be necessary for a candidate to obtain minimum of marks at 50th percentile in the 'National Eligibility-Cum-Entrance Test for Postgraduate courses' held for the said academic year. However, in respect of candidates belonging to Scheduled Castes, Scheduled Tribes, and Other Backward Classes, the minimum marks shall be at 40th percentile. In respect of candidates with benchmark disabilities specified under the Rights of Persons with Disabilities Act, 2016, the minimum marks shall be at 45th percentile for General Category and 40th percentile for SC/ST/OBC. The percentile shall be determined on the basis of highest marks secured in the All India Common merit list in National Eligibility-cum-Entrance Test for Postgraduate courses.
